

## ***Reduced Rates for RECENT GRADUATES!***

Membership in the *Texas Society of Professional Engineers* offers a vast array of career-enhancing benefits—such as networking events, leadership development, continuing education and legislative support—to aspiring professional engineers in Texas and those just getting started in their careers.

Because we understand that finances may be limited for recent graduates, we offer the following reduced rates for **first time members** (*standard renewal rates, on the right, are slightly higher*):

	REDUCED RATE	RENEWAL RATE
1 year out of school:	<b>\$ 60</b>	<b>\$ 63</b>
2 years out of school:	<b>\$120</b>	<b>\$126</b>
3 years out of school:	<b>\$180</b>	<b>\$189</b>
4 years out of school:	<b>\$240</b>	<b>\$252</b>
5 years out of school:	<b>\$300</b>	<b>\$315</b>

*For more information about membership, please contact the TSPE state office at (512) 472-9286 or by email at [membership@tspe.org](mailto:membership@tspe.org). Visit our website at [www.tspe.org](http://www.tspe.org).*
