RE: Travis Chapter Monthly Luncheon Sponsorship

Dear Friend of the Engineering Community:

The TSPE Travis Chapter is pleased to offer you this opportunity to sponsor one of our monthly membership luncheons. The monthly luncheons are a great time to network with other professionals, learn about significant issues impacting the engineering profession, and earn PDH credits. We have several very exciting speakers lined up this year, including leaders at both the State and Local level, which contributes to the growing interest and attendance at each and every luncheon.

The monthly luncheon sponsorship is a great way for your firm to get recognition and exposure within the engineering community. Luncheon announcements are sent out to over 250 individuals and 150 companies/organizations in Central Texas. There are numerous benefits that come with this sponsorship, which are detailed on the attached form.

We are looking forward to seeing your name on the list of sponsors for one of the upcoming monthly luncheons. **Please respond as soon as possible in order to get the full benefits of your sponsorship.**

If you would like more information on additional sponsorship opportunities, upcoming Travis Chapter events, and other ways to volunteer your time and talents, please visit our website at www.travis-tspe.org.

Thank you for your consideration of this opportunity.

Sincerely,

Sandra G. Howell, P.E.
Chapter President
